The screenshot shows a web browser window with the address bar displaying 'localhost/php8/004-Blog%20en%20PHP/013-Proyecto-Panel%20de%20cont...'. Below the address bar, the page title is 'Nueva entrada'. The form contains five input fields: 'titulo', 'autor', 'dd/mm/aaaa' (with a calendar icon), 'contenido', and 'imagen'. To the right of the 'imagen' field is a button labeled 'Enviar'.
